

# BioTurf Supreme

## Supreme Biological Turf Enhancement and Protection

MycoGold® BioTurf Supreme is a biological inoculant in liquid form ideal for solubilizing and treating new or existing turf. It contains natural beneficial bacteria and fungi microorganisms. MycoGold's BioTurf Supreme liquid treatment will accelerate growth, enhance root system, colonizes roots, and provide superior drought stress protection. Certain active ingredients also prevent various soil-borne pathogens and insect pests from turf damage.

**Net Weight: 40 oz.**
