

BioTurf Supreme WP

Soluble Biological Turf Enhancement and Protection for Liquid Applications

MycoGold® BioTurf Supreme is a biological inoculant wettable powder ideal for solubilizing and treating new or existing turf. It contains natural beneficial bacteria and fungi microorganisms. MycoGold's BioTurf Supreme WP treatment will accelerate growth, enhance root system, colonizes roots, and provide superior drought stress protection. Certain active microbes also prevent various soil-borne pathogens and insect pests from turf damage.

Net Weight: 300 oz.
